LETTER

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING

*An additional estimate of deficiency in the appropriation for Army and Navy pensions for the fiscal year ending June 30, 1893.*

---

JANUARY 17, 1893.—Referred to the Committee on Appropriations and ordered to be printed.

---

TREASURY DEPARTMENT,  
*January 16, 1893.*

SIR: I have the honor to transmit herewith, for the consideration of Congress, an additional estimate of deficiency in the appropriation for Army and Navy pensions for the fiscal year ending June 30, 1893, as submitted by the Secretary of the Interior on the 14th instant, \$3,335,816.35.

Respectfully, yours,

CHARLES FOSTER,  
*Secretary.*

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

---

DEPARTMENT OF THE INTERIOR,  
*Washington, January 14, 1893.*

SIR: I herewith transmit an additional deficiency estimate, for Army and Navy pensions required for the fiscal year ending June 30, 1893, amounting to \$3,335,816.35, together with a copy of the letter of the Commissioner of Pensions transmitting the same to this Department. The original estimate for a deficiency of \$10,508,621 was made by me on a careful examination of the matter and after consultation with the Commissioner, and no sufficient facts have been presented to me to change my view as to the accuracy of that estimate; but a due regard for the opinion of the Commissioner, and a desire that enough money, at least, may be provided by the present Congress to meet the demands of pensioners to the end of the fiscal year (without any doubt), induces me to forward this additional estimate for your consideration and transmittal by you to Congress.

Yours, respectfully,

JOHN W. NOBLE,  
*Secretary.*

The SECRETARY OF THE TREASURY.
